Meeting for UNISON Members
Public Works— North East of Scotland
Friday 9 April 2010 at 12 noon
Doric Bar, Music Hall, Union Street, Aberdeen

When politicians and media commentators continually attack the public sector and those who deliver vital services, our union, UNISON, stands up for us and the communities we serve.

Neither we, nor our service users caused the recession—we should not be the ones paying for the mistakes of high paid bankers!

- ♦ We provide essential services—even more in demand during recession.
- ♦ Public spending is vital to sustain economic recovery—cuts will only prolong the recession
- ♦ We can afford it—UNISON has produced an alternative budget outlining how to pay for the crisis without cutting services.

If you need further information or to confirm your attendance at the meeting contact Lynne 01224 629995 or l.duncan@unison.co.uk
